

INFORMATION ON TESTING AT BRNO 14-15 OCTOBER 2021

MAVERICK RESCUE ZS IN COOPERATION WITH THE BRNO CIRCUIT ORGANIZES TWO-DAY TEST DRIVES ON **14-15 OCTOBER 2021**

INFORMATION ABOUT TEST DRIVES:

These testing drives are intended for all drivers from all disciplines of automotive sport (roads, hills, rallies etc.) Number of cars remains up to 40 cars on the track at the same time.

COVID INFO:

All participants (drivers and their companions) must submit the following before entering the Brno Circuit:

- RT-PCR test for SARS-CoV-2 with a negative result max. 7 days old; or
- POC (= from a certified laboratory) antigen test for SARS-CoV-2 with a negative result max. 72 hours old; or
- Medical certificate of complete vaccination (min. 14 days after 2nd dose in case of two-dosis vaccine and min. 14 days after 1st dose of one-dosis vaccine); or
- Medical certificate of suffering covid-19 disease in the past (not more than 180 days from the first positive RT-PCR test)

Within the Brno Circuit premises it is obligatory to wear a FFP2 respirator inside buildings. The event will be run in accordance with valid hygienic measures and current measures of the Czech government.

PROVISIONAL SCHEDULE:

Entry to the Brno Circuit on **Wednesday 13.10.2021 from 18:00 (NO SOONER).**

Testing: Thursday 14.10 and Friday 15.10. – 9.00-13.00 / 14.00-18.00

REGISTRATION:

We ask that all interested people begin to register on the following e-mail address:

maverick.rescue@seznam.cz or by phone: +420 777 679 289.

In your registrations always quote: name + surname, team, number and make of the vehicle / s, with whom you will be testing, test day you chose, the expected number of half-hour sections according to information groups in a given day, and your contact: phone No. and e-mail address.

All information about the availability of test drives and boxes in the times concerned can be found **here**:
